

Stephen,

Thanks for coming out and supporting our Yard Sale. We will do the final count at the FOP meeting tomorrow night but I think we made around \$3000.00. Not bad for a first time effort. I'm hoping it's enough to get some plans drawn up. Then with the help of a few more fundraisers the South Park playground can be renovated.

The moms from the Mom's Club that worked at the sale were Laura Fisher, Amy McNaught, Cammie Herbert, Shonna Owen, Whitney Williams, Kristin Litvin, Kelly Collins, Cheryl Kahn moui, Connie Stainbrook, Deborah Gillies, Karla Ryan, Kelly Winter and Lara Shea. We also had a lot of support from other Mom's Club members with the donation drop off site.

We hope to do it again with the help of some other HB groups next May. We just need to either move closer to the fair or find a way to get all those people to our event.

Thanks again,
Jo Karambelas
