

May 8, 2002

Honorable Chairman and Members of
The Hermosa Beach Public Works Commission

Regular Meeting of
May 15, 2002

REQUEST TO REMOVE RED ZONE AT 1107 LOMA DRIVE

Recommendation:

It is recommended that the Public Works Commission deny the request to remove the red zone at 1107 Loma Drive.

Summary:

On May 2, 2002, Staff received a letter from Mr. Richard Applebaum of 1106 Loma Drive requesting that the red zone at 1107 Loma Drive be removed. Upon Staff's field investigation of the location, it was determined that the request could not be granted. The red zone was established because the curb area is too short for a standard parking space. Therefore, Staff denied Mr. Applebaum's request.

Mr. Applebaum has requested that his request be forwarded to the Commission for consideration.

Attached for the Commission's review and information is Mr. Applebaum's letter and a photo of the site.

Alternatives

1. Support's Staff's original denial of the request.
2. Support removal of the red zone.
3. Forward the item to City Council for disposition.
4. Take no action.

Respectfully submitted,

Harold C. Williams, P.E.
Director of Public Works/City Engineer
