Honorable Chairman and Members of
The Hermosa Beach Public Works Commission

Regular Meeting of
September 18, 2002

**REQUEST FOR SIDEWALK REPAIR, IMPROVEMENT AND
PALM TREE PLANTING IN CITY RIGHT-OF-WAY**

Recommendation:

Please advise.

Summary:

Mr. Jeff Ginsburg of Pike Properties & Management located in Palos Verdes Peninsula has expressed concern regarding the condition of the sidewalk adjacent to their building at 403 – 417 Hermosa Avenue. Mr. Ginsburg is requesting that the sidewalk be improved in conjunction with tree planting along Hermosa Avenue. He indicates that he is confident that he can get funding from his company to help supplement the cost of the work. In addition, he wishes that the attached letter (Attachment 1) would initiate activity between the City Council and the Tree Subcommittee in the hopes of beginning the process of tree planting/sidewalk replacement along the Hermosa Beach corridor.

Attachment: Letter from Mr. Ginsburg

Respectfully submitted,

Harold C. Williams, P.E.
Director of Public Works
