Honorable Chairman and Members of  
The Hermosa Beach Public Works Commission

Regular Meeting of  
January 15, 2003

## **REQUEST TO REPAVE TENNYSON PLACE**

### **Recommendation:**

It is recommended that the Public Works Commission review the request and provide direction to Staff.

### **Background:**

At the December 18, 2002 meeting, the Commission received the attached letter from Mr. David Brubaker. In his letter, Mr. Brubaker asked..."what is involved in getting a request in place for a street repaving". Since this item came to the Commission under Correspondence, the Commission could not discuss the matter at that time; therefore, the Commission directed Staff to place the item on this agenda.

2. Site location map

Respectfully submitted,
