PROPOSED GREEN PARKING SPACE ON BARD STREET

Recommendation:

It is recommended that the Public Works Commission approve the installation of one green parking space on Bard Street north of Pier Avenue.

Summary:

Staff has received a request from the owner of "Mrs. Dryclean USA" at 519 Pier Avenue for two 10-minute parking spaces on Bard Street. Currently there is a single green (15 minute) free parking space on Pier Avenue approximately 300 feet west of the Dry Cleaners. Staff recommends approval of one additional green (15 minute) space on the west side of Bard Street at the corner of Pier Avenue.
