PROPOSED GREEN PARKING SPACE ON 4TH STREET WEST OF PCH

Recommendation:

It is recommended that the Public Works Commission approve the installation of one green parking space on 4th Street west of Pacific Coast Highway.

Summary:

Staff has received a request from the owner of Triangle Hardware for two 20-minute parking spaces in front of his establishment at 403 Pacific Coast Highway (PCH).

There have been a number of similar requests over the years for green spaces on PCH. These require Caltrans approval and consistently have been denied because of the parking restrictions during peak commute hours when the parking lane becomes an additional travel lane. Staff cannot support this request but recommends one green space be provided on 4th Street adjacent to the business.
