Public Works Commission

Regular Meeting of
February 16, 2005

REQUEST FOR RESTRICTED PARKING SPACES AT 333 PCH

Recommendation:

It is recommended that the Public Works Commission hold a public hearing to consider marking a 15-minute parking space on Pacific Coast Highway and a yellow Loading Only Zone on 4th Street adjacent to the Hermosa Design Center at 333 Pacific Coast Highway.

Summary:

Staff has delivered notices of this public hearing to all property owners within this block of PCH, both sides, as well as residents within 400' on 4th Street east of PCH. The owner of the Hermosa Design Center at 333 PCH will have an opportunity to explain their needs. If there is no significant opposition from the neighboring properties, staff would support this request.
