Honorable Chairman and Members of the  
Public Works Commission

Regular Meeting of  
February 16, 2005

**REQUEST TO RESTRICT PARKING TO SIX HOURS ON  
SOUTH SIDE OF 700 BLOCK OF PIER AVENUE**

**Recommendation:**

It is recommended that the Public Works Commission approve installation of parking signage restricting parking to six hours on the south side of Pier Avenue between Ardmore Avenue and PCH.

**Summary:**

This change has been requested by our Community Resources Department in order to better serve the parking needs of the City's Community Center. Presently parking is unrestricted in this block of Pier Avenue and many vehicles are parking for extended periods of time, which negatively impacts the parking needs for the Community Center, Skate Park and Playhouse. Staff believes there is adequate parking on Ardmore and therefore supports this request.
